SUBMISSION OF CORRECTED DRAWINGS

Hon. Commissioner of Patents  
and Trademarks  
Washington, DC 20231

RECEIVED

TC 2800 MAIL ROOM

Sir:

In an Office Action dated September 27, 2001, the drawings were objected to because sectional views in Figs. 2.2 and 2.3 were not understood with respect to Fig. 2.1. It was indicated that Figs. 2.2 and 2.3 should be reversed.

Applicant has amended the attached drawings to correct the above described informalities. Moreover, Applicant has amended Figs. 2.1, 2.2, 2.3 and 3 to now be identified as Figs. 3, 4, 5 and 6, respectively. Fig. 5 has been amended to properly show element 12 shown in Fig. 4. Finally, the numerical designations for the elements have been extensively amended to reflect consistency.

In response to the Examiner's objections, corrected drawings are attached herewith incorporating the changes requested by the Examiner. The changes have not been highlighted pursuant to M.P.E.P. § 608.02(v) since the changes have been so extensive that highlighting is believed to detract from the clarity of the attached drawings. If highlighted versions of the drawings are still required, it is respectfully requested that the undersigned be contacted by telephone or mail and a highlighted copy will be forwarded immediately.

Respectfully submitted,

DRUMMOND & DUCKWORTH
